The total aggregate units issued under both tranches of the Offering is 12,079,791 units of the Company (“Units”) for total gross proceeds of \$3,382,341.48. Each Unit consists of one common share of the Company (a “Share”) and one common share purchase warrant (a “Warrant”). Each Warrant entitles the holder to acquire one additional Share of the Company for a period of three years from the date of issuance at a price of \$0.40 per Share.

There were no finder’s fees paid in the final tranche closing.

All securities issued in the Offering have a four-month plus one day hold period, during which time the securities may not be traded. The Offering is subject to the final acceptance of the TSXV.

The net proceeds from the Offering are intended for general working capital and exploration and development costs.

Non-brokered Private Placement

Domestic Metals further announces a non-brokered private placement of up to 25,000,000 units (the “Units”) at a price of \$0.28 per Unit (the “New Offering”) for gross proceeds of up to \$7,000,000. Each Unit will consist of one common share of the Company (a “Share”) and one common share purchase warrant (a “Warrant”). Each Warrant entitles the holder to acquire one additional Share of the Company for a period of three years from the date of issuance at a price of \$0.40 per Share.

Insiders may participate and finders' fees may be payable to qualified arm's length parties that have introduced the Company to certain subscribers participating in the New Offering. All securities issued in the New Offering are subject to a four-month hold period, during which time the securities may not be traded. Closing of the New Offering is subject to the approval of the TSXV.

This press release does not constitute an offer of sale of any of the foregoing securities in the United States. None of the foregoing securities have been nor will be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act") or any applicable state securities laws and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This press release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the foregoing securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

The net proceeds from the New Offering are intended for general working capital, exploration and development costs and drilling.

About Domestic Metals Corp.

Domestic Metals Corp. is a mineral exploration company focused on the discovery of large-scale, copper and gold deposits in exceptional, historical mining project areas in the Americas.

The Company aims to discover new economic mineral deposits in historical mining districts that have seen exploration in geologically attractive mining jurisdictions, where economically favorable grades have been indicated by historic drilling and outcrop sampling.

The Smart Creek Project is strategically located in the mining-friendly state of Montana, containing widespread copper mineralization at surface and hosts 4 attractive porphyry copper, epithermal gold, replacement and exotic copper exploration targets with excellent host rocks for mineral deposition.

Domestic Metals Corp. is led by an experienced management team and an accomplished technical team, with successful track records in mine discovery, mining development and financing.
